# Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee, it is my great pleasure to invite you to the 9th Korea-Japan Transplantation Forum to be held at the Hyatt Regency Incheon in Incheon, Korea, on October 20, 2012. One day prior to this joint forum, the 42th Annual Scientific Meeting of the Korean Society for Transplantation will be convened at the same location.

This joint forum will cover a broad range of topics to organ transplantations such as plenary session dealing with donor pool expansion and tolerance, and symposium on post transplant infection and others.

I believe that this forum will provide all participants with an excellent opportunity to substantially improve their clinical as well as research works through interactive discussion and an exchange of ideas. We are also planning to entertain all participants with a pleasant dinner on Oct. 19 (Friday) where everyone can mingle and socialize.

I look forward to seeing you all in Incheon, Korea.
